

Snack Idea

The Lion, the Witch, and the Wardrobe

Chapter 14

In Chapter 14, we see the White Witch and her army seeming to conquer Aslan. As they get nastier and more evil, Aslan seems to become more withdrawn, sullen, and resigned.

Finally, the evil army ties Aslan with ropes and forces him up onto the table. Although it is with much difficulty, they celebrate that they have conquered the Great Lion.

In thinking about this chapter, today's snack idea is bread sticks that resemble rope. These are super easy to make and won't cause a huge distraction in the classroom, except that the students will be loving and savoring them and probably unable to focus on much else at the moment, lol.

For the bread, you can just pick up some Pillsbury bread sticks at the store unless you have a favorite or preferred homemade bread recipe. Then you just need some wooden kabob sticks. You can find these at just about any dollar store, grocery store, or Walmart.

Wrap the bread around the sticks and then bake them according to the directions of the bread you chose. These can be done the night before!
